"İKLİM KRİZİ - KÜRESEL ISINMA" Posta Sanatı Hakkında

Sanat; bir yandan kitleler arası duygu paylaşımları yaratırken diğer yandan toplumsal değişim için güçlü bir araçtır. Bu bilinçle beşincisini düzenlediğimiz Uluslararası Posta Sanatı sergisi; katılımcılar, sanatçılar aracılığıyla küresel ısınma ve iklim krizi konusunda hem bir uyarı hem de bir çağrı niteliği taşımaktadır. Sergide yer alan her bir eser, bir duyarlılık, bir kavrayış, bir çözüm arayışı sunmaktadır. Serginin amacı, izleyicilere yalnızca geleceğe dair karamsar bir tablo sunmak değil, aynı zamanda bu zorlukların üstesinden gelmek için kolektif bir çözüm ve umut perspektifi de sunmaktır.

İklim krizi ve küresel ısınma, günümüzün en büyük küresel sorunlarından biri olmakla birlikte bu kriz, sadece çevresel bir tehdit değil, aynı zamanda insanlığın sosyal, ekonomik ve kültürel yapılarını da önemli ölçüde etkileyen de bir unsurdur. Bu sergi, konu itibariyle insanlığı bekleyen zorlukları daha iyi anlamamıza yardımcı olmak ve evrensel bir bilinç yaratmak amacıyla hazırlanmıştır.

Bu bağlamda dünyanın farklı coğrafyalarından gelen, birçok çalışma ile oluşan bu sergi, karmaşık ve hızla değişen dünyada insanlık olarak üzerimize düşen sorumlulukları ve harekete geçme gerekliliğini gözler önüne sermesi bakımından önemli bir görevi yerine getirmektedir. Kastamonu Üniversitesi, Güzel Sanatlar ve Tasarım Fakültesi, Grafik Tasarımı Bölümü olarak, eser ve çalışmaları ile aramızda olan, küresel bir sorun etrafında birleşen insanlık mücadelesinin derinlemesine hissedilmesinde katkı sunan tüm katılımcılara teşekkür ediyoruz.

Bu vesile ile insanlık olarak birlikte hareket edilmesi halinde, iklim krizinin üstesinden gelebileceğimizi ve geleceğe umutla bakabileceğimizi hatırlatan sanatseverlere şükranlarımızı sunuyor, başka etkinliklerde yeniden görüşmek dileğimizi paylaşıyoruz.
